

**Zonta Club of Lansing throws a "Pillow Party for Eve's House" : Zonta Club of Lansing** is helping the new residents of Eve's House who generally come in with only a suitcase of their belongings, after suffering domestic violence and abuse. Each new resident will receive a brand new pillow with pillow cover and new cases. "There is nothing like having your own fresh new pillow to sleep on." says Sue Shoultz, Executive Director of Eve's House. In addition, some Zonta Club of Lansing members are hand making lap quilts to donate to Eve's.

Two years ago, Zonta Club of Lansing, a 90 year service organization to advance the status of women, donated over 50+ pillows, covers and pillow cases along with some member made quilts. Zonta plans to make this a semi annual event to the delight of Ms. Shoultz and Nancy Bates Community Development Director.

Each member has been asked to bring in two pillows, covers and pillow cases to donate to Eve's. For further information, please see **Jackie Pulford**.
